## Z. Smith Reynolds Foundation

JOED in partnership with the City of Jacksonville welcomed the Z. Smith Reynolds Foundation to Onslow County to learn about our community. The Z. Smith Reynolds Foundation is an 80-year old private foundation which invests in nonprofit organizations across the state that are working to improve public education, preserve and protect the environment, promote economic opportunity for people in diverse backgrounds, engage more individuals in democratic process and elevate the dignity of all.

## Burton Park Celebration

November 4, 2016, JOED held an event to recognize and thank the Onslow County Commissioners for their vision and dedication to the economic growth of Onslow County. Their proactive action to expand the road into the industrial area of Burton Park will give access to the remaining 250 acres available. In addition, the recent awarding of the contract to construct a 30,000 SF industrial building gives JOED a valuable tool in the very competitive environment of industry recruitment.

In the event you were unable to join us, you can watch the program on this link: <https://youtu.be/t-uHRI8O0bU> (Ctrl and click link).

## Thank you Investors

As we approach 2017, the second half of our fiscal year promises to be exciting and challenging as we execute our FY 2016-2017 Business Plan.

Thank you for investing in Jacksonville Onslow Economic Development. You investment makes you a very important part of fulfilling JOED's mission to stimulate the economic vitality of Jacksonville and Onslow County through the attraction of new investment, the creation of new jobs, and the retention and expansion of existing businesses and industry.
